25 November 2021

NOTICE OF ACCEPTANCE

Arvin V. Baustista
Gene Marck B. Catedrilla
Jeremy P. Paner
Neil Alden P. Escobin
Thomas Jonathan M. Flores
Laguna State Polytechnic University

Dear Researchers:

Congratulations!

Your research paper entitled “*Low-Cost Arduino-Based Mechanical White Cane*” is accepted for ORAL PRESENTATION at the 5th International Research Conference on Innovations in Engineering, Science and Technology (IRCIEST V) to be held virtually and hosted by Batangas State University, Batangas City, Philippines on December 6-7, 2021.

The revised structured abstract must be submitted to irciest2019@g.batstate-u.edu.ph not later than **December 1, 2021** for inclusion in the Conference Proceedings. The structured abstract must follow the prescribed format and must be free from grammatical and structural errors. Please confirm your participation by registering through our conference website on or before **December 3, 2021**.

For registration details, please visit this link: <https://bit.ly/IRCIESTV>. Link to the conference shall be sent to you via email. For updates regarding the conference, please visit <https://batstate-u.edu.ph/IRCIESTV/>.

See you virtually at Batangas State University in December!

Warmest Regards,

Engr. ALBERTSON D. AMANTE
General Conference Chair,
IRCIEST V

Paper ID: C06-17-IC05
